RE: Kilkenny County Council - Car Parking at Motorway Intersection

Dear Mr. Butler,

I refer to your correspondence of 9 December 2021 to Minister Ryan regarding the above, which has been forwarded by the Department of Transport, to Transport Infrastructure Ireland (TII) for direct reply. The position in relation to your enquiry is as follows.

TII is currently preparing a policy regarding Park and Share facilities and will be prioritising facilities where there is parking already taking place and on safety grounds. As with any such project, it is up to the road authority to prepare a Feasibility and Options report for TII to consider for funding.

By way of information, I should advise that a similar such Park and Share facility was recently opened in County Louth and was fully funded through the TII Road Safety Section. Please do not hesitate to contact the TII Road Safety Section if you wish to discuss how to progress such a scheme.

I hope that this information is of assistance to you.

Yours sincerely,

Alban Mills
Senior Regulatory and Administration Executive
